

► Environmental Management Systems

Environmental Management Systems Support our Responsible Care Initiative.

As an important aspect of Responsible Care, Daicel has acquired certification under ISO 14001, a set of international standards for environmental management systems, as an effective and efficient means of promoting environmental conservation.

In addition, Daicel is promoting the spread of environmental management systems throughout other Group companies.

► Status of Environmental Management System Certification

Plant/Research Center/Group Company	Certificate No.	Applicable Standards	Acquisition Date
Daicel Corporation (Ohtake Plant)	JQA-EM0492	ISO14001:2004	August 1999
Daicel Corporation (Central Research Center)	JQA-EM0894	ISO14001:2004	June 2000
Daicel Corporation (Himeji Production Sector and Aboshi Plant)	JQA-EM1229	ISO14001:2004	December 2000
Daicel Polymer Ltd. (Hirohata Plant)	JQA-EM1511	ISO14001:2004	April 2001
Daicel Corporation (Harima Plant)	JQA-EM1683	ISO14001:2004	July 2001
Daicel Corporation (Kanzaki Plant)	JCQA-E-0329	ISO14001:2004	December 2001
Daicel Corporation (Arai Plant)	JCQA-E-0339	ISO14001:2004	December 2001
Polyplastics Co., Ltd. (R&D Center)	JQA-EM0337	ISO14001:2004	February 1999
Polyplastics Co., Ltd. (Fuji Plant)	JQA-EM0414	ISO14001:2004	April 1999
DM Novafoam Ltd. (Head Office and Nagano Plant)	ASR-E0309	ISO14001:2004	February 2003
DM Novafoam Ltd. (Okayama Plant)	ASR-E0310	ISO14001:2004	June 2004
Daicel Pack Systems Ltd. (Isezaki Plant)	JQA-EM6795	ISO14001:2004	March 2012
Dainichi Chemical Corp.	0005067	EcoAction 21 ¹⁾	June 2010
Daicel Safety Systems America, LLC Daicel Safety Technologies America, Inc. Daicel Safety Tube Processing, Inc.	EMS73483	ISO14001:2004	March 2005
Shanghai Daicel Polymers, Ltd.	170710064/1	ISO14001:2004	November 2005
Daicel Safety Systems (Thailand) Co., Ltd. Daicel Safety Technologies (Thailand) Co., Ltd.	BGK0403863	ISO14001:2004	August 2007

Daicel Safety Systems (Jiangsu) Co., Ltd.	SGS EMS 04 0105	ISO14001:2004	March 2008
Ningbo Da-An Chemical Industries Co., Ltd.	104389	ISO14001:2004	September 2010

What is...?

¹⁾ **Eco Action 21:** Environmental management systems promoted by the Ministry of the Environment of Japan. These systems are designed for easy implementation by small- and medium-sized corporations. The Institute of Global Environmental Strategies Center for Sustainability (IGES-CFS) serves as the registrar of the certification.
